Welcome to **Dismay**

Dismay Hair & Beauty is a leader in the distribution of hairdressing and cosmetic products. Over 10 years ago, the entrepreneurial vision of Máximo Pérez led to the creation of a management model that allows the delivery of products with the highest quality, speed and reliability.

At Dismay, everything revolves around our customers' needs, who are exclusively wholesalers and distributors in the sector, meaning that sales are not directed at professionals or final consumers. In this way, we avoid competing with our own customers.

We offer products from leading market brands hold the exclusive representation of several firms.

We provide a comprehensive advice service: we are familiar with industry trends and can identify customer needs to advise them on the development of their business for marketing hair and beauty products.

We distribute our products nationally and internationally and have a direct delivery service in the province of Barcelona.

Easier buying without minimum amount obligations. You can send your order to dismay@dismay.es, process it online on our website www.dismay.es, or purchase in person at our modern and functional Cash & Carry in Badalona.

INDICADO PARA CABELLOS RIZADOS

Restauración de alto impacto de la raíz a las puntas. Reduce los daños causados a la fibra capilar y además tiene acción anti frizz.

INDICADO PARA CABELLOS SECOS Y REBELDES

(!)

RECOMENDADO PARA CABELLOS FRÁGILES Y PARA LA CAÍDA DEL CABELLO

El extracto de las hojas de Jaborandi tiene una acción directa sobre el bulbo capilar, **ayudando a regenerar las células del cuero cabelludo**, fortaleciendo la raíz y ayudando a combatir la seborrea. El cabello queda hermoso y bien cuidado.
